*Interim Order*  
(Last heard on 22/08/2020)

Case called and both parties were heard. Both parties were given opportunity to reconcile the matter. The issue was regarding providing expenditure of accounts within six months of orders dated 25/07/2019 of Consumer Grievances Redressal Forum and the Respondents had provided the same on 27/01/2020. The Complainant was not satisfied with the expenditure of accounts provided. The Complainant prayed to quash the orders of Consumer Grievances Redressal Forum in the present application.

The Counsel for the Respondents objected to the reconciliation approach for the reasons that if the Complainant was not satisfied with the expenditure of accounts provided by the Respondents, he should have approached the Consumer Grievances Redressal Forum again. There was no consensus on reconciliation approach.
